Shopify Theme Customize.

- Log in to your Shopify admin panel: Go to your Shopify store's URL (e.g., yourstorename.myshopify.com/admin) and enter your credentials to access the admin area.
- Choose a theme: If you've already installed a theme, you'll see it listed here. If not, you can click on "Explore free themes" or "Visit Theme Store" to find and install a new theme.
- Edit content sections: The theme editor allows you to customize various aspects of your store, including the header, footer, homepage sections, product pages, and more. Each theme may have different customization options, but typically, you can access these settings in the left-hand sidebar of the editor.
- Save your changes: Once you're satisfied with your customizations, click on the "Save" button in the top-right corner of the theme editor to save your changes.
